

SeeTusk Proposed Sitemap

Home, About & Careers Pages

Prepared from the approved change specifications and aligned with the existing Service Page Sitemap format.

Home Page Sitemap

Primary Goal: Explain the complete SeeTusk offering within the first screen and guide users toward the right service.

Section	Section Name	Key Title / Subsections	Purpose
1	Hero	Headline, support line, primary CTA	Immediately explain what SeeTusk does.
2	We Help With	Content • Creator Campaigns • Web & Tech • Campaign Launches	Expose all four services above the fold.
3	Client Trust	Logos / social proof	Build credibility.
4	Services	Four service cards	Explain offerings.
5	Results	Business outcomes	Demonstrate impact.
6	Case Studies	Real case pages/drawers	Provide proof.
7	Industries	Supported industries	Audience relevance.
8	Why SeeTusk	Differentiators	Position studio.
9	Engagement Models	Working models	Explain collaboration.
10	Founders	Condensed team	Humanize brand.
11	Testimonials	Client feedback	Trust.
12	FAQ	Common questions	Reduce friction.
13	Final CTA	Start a Project / See the Work	Drive conversion.
14	Newsletter	Footer only	Secondary conversion.
15	Footer	Navigation & contact	Complete journey.

Clarity Standard: A first-time visitor should understand what SeeTusk does, who it serves, and where to go next within seconds.

About Page Sitemap

Primary Goal: Build trust by explaining the studio, founders and operating model.

Section	Section Name	Key Title / Subsections	Purpose
1	Hero	Who we are	Introduce studio.
